**Class Teacher and Curriculum Leader
TLR 2.1**

An exciting opportunity has arisen for an excellent teacher to join our team on a journey from good to outstanding.

The children, staff, parents and governors of our friendly village school are looking to appoint a creative, enthusiastic and learning-centred teacher to enhance the good practice already across the school. The successful candidate will have an additional teaching and learning responsibility for continuing the redesign of our creative and experiential curriculum.

The successful candidate must be an excellent primary classroom practitioner and have experience of inspiring, motivating and supporting pupils and staff, as well as a commitment to learning; promoting high standards of well-being and achievement. They will be a member of the leadership team, working particularly closely with another TLR postholder, taking the lead with aspects of curriculum and whole school development.

We can offer you:

- Ø A whole school learning culture underpinned by a creative, experiential curriculum, AfL, Key and Critical Skills
- Ø Happy, enthusiastic and motivated children who love to learn
- Ø A highly skilled, hard working and supportive staff team
- Ø A commitment to your ongoing professional development
