**Permanent Class Teacher (x2)**

**An exciting opportunity has arisen for two excellent teachers to join our revitalised team on a journey from good to outstanding.**

The children, staff, parents and governors of our friendly village school are looking to appoint two creative, enthusiastic and learning-centred teachers to enhance the good practice already embedded across the school. The successful candidates will have a good knowledge of assessment for learning principles and be familiar with the use of key skills and critical skills when planning creative, experiential learning activities for the children.

The successful candidates must be excellent primary classroom practitioners and have experience of inspiring, motivating and supporting pupils and staff, as well as a commitment to learning; promoting high standards of well-being and achievement. They will be a member of a successful and skilful team who work hard for each other, and the children and families of Court de Wyck School.

We can offer you:

- Ø A whole school learning culture underpinned by a creative, experiential curriculum, AfL, Key and Critical Skills
- Ø Happy, enthusiastic and motivated children who love to learn
- Ø A highly skilled, hard working and supportive staff team
- Ø A commitment to your ongoing professional development
- Ø An attractive learning environment
- Ø Dedicated PPA time

If you would like to find out more about these opportunities and request a person specification, please contact Nick Riddiough, Headteacher.
