

**Welcome to Reception Class at
Court-De-Wyck Church School**

When you start school you will be in Robin Class and your teachers will be Mrs Fear and Mrs Sims.

Mrs Fear

Mrs Sims

Before you start school in September you will come for a visit so you can see your new classroom and meet us.

On your first day you can hang up your coat on a peg which will have your name on it.

We also enjoy Forest Explorer sessions in our wooded area on Mondays.

At home time when your teacher calls your name you will be able to go outside to join your grown up who is collecting you.

You will have had lots of fun exploring new things and playing with your friends, and you can tell your family all about your day!

We look forward to seeing you soon!

At playtimes there is always a grown up on the playground to look after you. If you hurt yourself or need the toilet, make sure you tell them and they will help you. We have lots of things to enjoy doing outside.

We eat lunch in the school hall and there will be lunchtime staff to help you. You can have a school dinner or bring sandwiches. When it is nice and sunny, and the grass is dry you can play on our school field. We also have an outside classroom where we sometimes enjoy story time.

Don't forget to make sure you ask your grown up to put your name on all your belongings, especially school jumpers and cardigans.

You will be given a school bookbag which you will need to bring with you to school every morning. When you have settled in you will get a sharing book to bring home and enjoy with a grown up.

At playtimes you can have a piece of school fruit or bring your own fruit from home to eat. Please remember to bring a water bottle with your name on to school every day.

Until your 5th birthday you can have a carton of milk to drink at school too. Once you are 5 you may continue to have milk if your grown up chooses to by paying direct to the dairy.

We have lots of areas in the classroom where you can choose different activities to do.

Book corner

Outside Area

Home corner

Creative Area

Our toilets are in the classroom too!
