CDW Return to School

A message from your Headteacher...

Dear families,

Welcome to the start of a new school year! I hope you all had a lovely summer break and are ready for the exciting year ahead. Whether you are returning to Court de Wyck or joining us for the first time, we are thrilled to have you as part of our school community.

Our dedicated staff have been busy preparing for a year filled with enriching learning experiences and opportunities for your children to grow academically, socially and emotionally. This year we are continuing our focus on developing our new Court de Wyck curriculum, building strong English and maths skills, fostering creativity and ensuring the well-being of every student. We are also planning a range of school events, trips and activities that will support both personal development and academic achievement.

Thank you to all the parents that attended the Welcome to Class meetings for Owl, Goldfinch, Kingfisher and Kestrel Classes this week. If you were unable to attend, all information can be found on the school website on the class pages. Please do take a look as it gives lots of information about your child's class. [Classes | Court de Wyck Church School \(secure-primariesite.net\)](https://secure-primariesite.net)

We believe that strong collaboration between parents and the school is key to a child's success. We encourage you to stay engaged with your child's education by attending school events and staying informed through our regular updates. We encourage all children to read their school reading books at home at least four times a week and to log each session in their reading record. Remember, these entries are counted every Friday and children can earn certificates as part of our Reading Challenge. If you have any questions, concerns or feedback, please do not hesitate to contact your child's class teacher.

We look forward to working closely with you and your children to make this a positive and productive year.

Kind regards,

Jo Baker-Brown

A Reminder to parents and carers about the importance of reading at home with your children,
It really does make the biggest difference to their learning if you can manage four times a week as a minimum.
Thank you!

Water Bottles:
Please make sure your child is only bringing in water to school and not squash.

If you feel like your child might be entitled to free school meals please do apply!
[Apply for free school meals - GOV.UK \(www.gov.uk\)](https://www.gov.uk)

Dates for your Diary!

Monday 30th September: PTA AGM

27th Sept-2nd Oct: Book Fair 3.15pm

Wednesday 2nd October: Coffee Morning with Mary our mental health professional. Parents welcome 8.45am.

Friday 10th October: Harvest Festival – Parents Welcome 15th and 17th October: Parents Evening.

A message from the PTA...

The PTA will be holding their Annual General Meeting (AGM) on Monday 30th September 2023 at 6pm. The meeting will be held in the main hall at school. The AGM is an opportunity for the PTA to report on fundraising activities for last year and to start planning events for the forthcoming year. We would love to see as many faces as possible so please do come along! Please see attached letter for more information.

After School clubs this term:

Choir - Mondays office@thenotewarehouse.com to book

Forest School - Tuesdays <https://www.primary-forest-school.co.uk/bookings> to book

Beats Dance - Wednesdays beatsdance10@gmail.com to book

Robins have had a great few days settling in to Robin Class, exploring the inside and outside area. This week they have even started to go out to play with the rest of the school, enjoyed their first school dinners and joined in with frisbee golf.

Kestrels enjoying the frisbee workshop!

Goldfinch have enjoyed developing their team building skills in PE and had to guide a blind folded team member through 5 hoops across the river. They were also working on their communication skills and trust. They had a fun session outside taking part in a Frisby golf workshop, developing their Frisbee throwing and catching skills.

Growing Together, Belonging and Achieving

Owl Class have been creating their own artwork based around their hopes and dreams for the future.

Advice for parents on online safety for children
