SCHOOL RESULTS 2022

The information below compares the attainment of our pupils with BWMAT (Bath and Wells Multi Academy Trust) and national averages.

Early Years Foundation Stage

76% of pupils in Reception attained a Good Level of Development against the Early Years Framework. This is above the BWMAT average (68%). The national average in 2019 was 72%. We do not currently have any national comparison data for 2022.

A Good Level of Development is defined as children working at the expected standard or exceeding the expected standard in the key areas of literacy, maths, physical development, communication and language and personal, social and emotional development.

Year One Phonic Screening

73% of pupils in Year One attained the expected standard in the Phonic Screening test.

This is broadly in line with BWMAT averages (77%). We do not currently have any national comparison data for 2022.

Key Stage One

This is the first year of reporting formally for Key Stage 1 since 2019, before the pandemic. They are in line with the revised arrangements for Key Stage 1 where these arrangements reflect the more challenging national curriculum which was introduced in 2014.

At the end of KS1 (Year2), teachers are required to assess each child in the areas of reading, writing and maths. National Curriculum assessment tests are used to support teachers' judgements.

The current measures are as follows:

Expected Standard – Working at the expected standard for a child at the end of Year 2

Greater Depth – Working at greater depth within the expected standard, with a strong understanding of the curriculum.

END OF KS1 SATs RESULTS	Court de Wyck Performance 2022	Court de Wyck Performance 2019	BWMAT Average 2022	National Average 2019
Reading – Expected Standard	58%	53%	53%	75%
Reading – Greater Depth	32%	29%	20%	25%
Writing – Expected Standard	48%	59%	55%	69%
Writing – Greater Depth	37%	18%	9%	16%
Maths – Expected Standard	63%	47%	57%	76%
Maths – Greater Depth	26%	35%	17%	21%

We do not currently have any KS1 national comparison data for 2022.

Key Stage 2

Children in Year 6 are also assessed on their knowledge and understanding of the curriculum. The curriculum introduced in 2014 provides greater challenge with higher expectations set for the end of KS2.

The results of the SATs (tests) are reported using a scaled score, where a score of 100 represents the expected standard. The highest possible score is 120 and the lowest is 80.

Children are awarded one of the following Teacher Assessment judgements in writing:

Expected Standard - Working at the expected standard for their age

Higher Standard - Working at a higher standard than the expected standard and has a strong understanding of the curriculum.

Year 6 pupils were assessed in reading, writing, grammar, punctuation and spelling and maths. For further information, please see the leaflet [Information for parents KS2](#) from the Standards and Testing Agency.
