

A message from your Headteacher...

Dear Parents and Carers,

Thank you to everyone who came along to our **Maths Open Morning** this week. It was wonderful to share our maths learning and successes with you – the children certainly enjoyed showing you one of their maths lessons and how we teach maths at Court de Wyck. Have a look at the photos we have included in the newsletter and some of the lovely comments from parents.

Next week, we are looking forward to our **Geography-themed day: Race Across the World!** On Wednesday, the children will be working in mixed-age groups, travelling from room to room (or continent to continent!) with their very own "passports" to be stamped along the way. They will learn about different continents and take part in fun, memorable activities throughout the day. We are all excited to travel around the world together, discovering new places and taking part in engaging and immersive activities.

We are also looking forward to welcoming you to **Parents' Evening** next week. Please make sure you have booked an appointment to discuss your child's learning and progress with their class teacher. As before, the meetings will take place in the school hall, where you'll also have the opportunity to look through your child's books and see all they have achieved so far this year.

Thank you, as always, for your continued support.

Best wishes,

Mrs J Baker-Brown

Y6 LIFE SKILLS

MRS WEBBERS GARDENING CULTURE CLUB

The children picked out some plants they liked, which Mrs Webber brought in for the children to plant in new pots. These have now been put outside the entrance to school.
