Spelling List
Term 6 2026

Our spelling programme enables us to ensure children are confident with the rules appropriate for their year group and supports them with improving the accuracy of their spelling during independent writing.

For each spelling rule, two lists have been provided with List B being more challenging than List A. Your child can choose each week which list to learn but should only learn List B if they are confident with all the spellings in List A. There are also lists of words which do not fit a rule (known as *common exception words*) and some weeks both lists will contain a couple of these for your child to learn/revise.
