

CDW Summer Festival - 27th June

A message from your Headteacher...

Dear families,

It has been a very busy and productive week across the school. Children in Years 1 through to Year 5 have been working incredibly hard completing their assessments in reading and mathematics. In addition, our Year 1 children have taken part in their phonics screening checks, and Year 4 have completed their multiplication tables checks this week. We have been so impressed with the attitude and effort shown by all. They have approached these assessments with resilience and determination, and it has been wonderful to see so many children achieving more than they thought possible. These assessments are an important part of helping teachers understand each child's progress and will support careful planning for the next academic year and will be included in the children's end of year reports.

Looking ahead, we are very excited for our Year 6 pupils, who will be heading off next week on their residential trip to Kilve Court. This is always a fantastic opportunity for children to develop independence, teamwork and confidence, as well as creating lasting memories with their friends.

A huge thank you goes to Mr Hughes for accompanying the trip, along with Miss Baker-Brown (please note, not me!) who will be there for most of the week, and Mrs Litt, who will be joining for the middle part of the visit. We are very grateful for their time and commitment in making this experience possible for our pupils.

We would also love to invite you to join us for a coffee morning next week, where you will be able to find out more about how our playtimes will be developing with the introduction of OPAL Play. This is an exciting development for the school, and we look forward to sharing our plans with you.

Thank you, as always, for your continued support.

Best wishes,

Jo Baker-Brown

KINGFISHER GREEK WOW DAY

Kingfisher class enjoyed dressing up as Greek citizens for the day and holding our own Ancient Greek Olympics where we competed in the discus, javelin, running and chariot races! We learnt about the Greek alphabet and tried writing our names in Greek, went on a clue hunt to find information about the Greek Gods, and learnt about Greek mythical creatures and designed one of our own. A great day to celebrate the end of our learning theme!
