Newsletter – 25th September

A message from your Headteacher...

Dear families,

Our Reception children have enjoyed their first full week of school and what a fantastic week it has been! They have been settling in brilliantly and it has been wonderful to see their confidence and excitement grow each day. They have loved having lunch at school, attending Collective Worship in the hall and taking part in their first phonics lessons - the enthusiasm they have shown for PE has been second to none! It is an absolute joy to have you in school, Robin Class!

Thank you also to the parents who have joined us during our Aspire Week to talk to the children about their careers and the journeys that led them there. We greatly appreciate the time you have given to inspire our children and broaden their understanding of the world of work.

If you would like to come in and share your career experiences with the children, please email the school office. We still have opportunities available and would love to welcome more parents into school to inspire the children.

Today saw the exciting launch of our Culture Clubs for this academic year, with children from Years 1 to 6 taking part in an amazing range of activities every Friday afternoon.

This term, pupils have been able to choose from Book Club, Taskmaster, Ballet, Musical Theatre, Crochet, Sewing, Jewellery Making, British Sign Language and Origami. The children were incredibly excited to begin their chosen clubs, and there was a real buzz of enthusiasm throughout the school. We look forward to sharing more about this fantastic opportunity and celebrating the children's achievements in future newsletters.

Next Thursday, we will be holding our annual Harvest Worship with Rev Daile, and we warmly invite parents to join us at 9.00am. We would also be grateful for donations for Clevedon Foodbank, which children can bring into school on Thursday morning. Thank you for your support in helping those in our local community.

We wish you all a lovely weekend.
